WORLD GOLD COINS

October 25, 26, 27, 1971

Schulman Coin and Mint, inc.
25 WEST 45th STREET NEW YORK, N.Y. 10036

FOREWORD

Nate S. Shapero, Chairman of the Board of Cunningham Drugs, has always been a collector and this trait dominated when he decided that a major portion of his gold coin collection should be sold so that other collectors would have a chance to enjoy many coins not obtainable today. Nate is a modest man although he built an empire in the chains of Cunningham, Shapero, Broward and other Drug Companies. His life has been marked by charitable and philanthropic actions.

Numismatically this collection is one of Nate's favorites. As soon as Robert Friedberg composed his GOLD COINS OF THE WORLD, and it appeared in print, Nate was one of the first to use it as a guide for collecting. Today I doubt if this could be done. Many coins are not now available. He formed a beautiful U. S. collection, among many other collections. This U. S. collection is being sold by our friends and colleagues STACKS. We will be honored to represent you at the sale held by Stacks which will take place October 22, 23, 1971. A catalogue of these U. S. coins is obtainable from us for \$1.

Nate's coins are being sold by order of the Nate S. and Ruth B. Shapero Foundation.

HANS M. F. SCHULMAN
President
SCHULMAN COIN & MINT INC.
(A publicly owned company)

This is not addressed to our overseas customers who regularly send us bids. They are already taking advantage of the favourable conditions which a U. S. A. auction offers.

To those of you who have not sent us bids because you are worried about customs and banking problems, please read the following:

- 1. Your bids are executed with **no commissions added.** If you successfully buy a lot for \$ 50.— you pay just that (plus postage and insurance).
- 2. All lots are shipped to you through our European shipping agents, Haller & Co. AG, Basel and you may give us any kind of instructions you want (one shipment, several shipments, etc.).
- 3. Your personal Dollar checks on your Swiss or U.S. banks are acceptable.
- 4. The present exchange situation is particularly favourable to you.
- 5. Our estimates are fair. In most cases the lots sell within our estimations. In any case, we will try to buy at the best price. If you really want a lot, give use some leeway.

IN ANY EVENT TAKE THIS OPPORTUNITY — YOU WILL BUY BETTER, CHEAPER AND WE HOPE SUCCESSFULLY AT THIS SALE. SEND US YOUR BIDS WELL IN ADVANCE OF THE SALE'S DATE.

BIDDING

DO NOT SEND BIDS BY ORDINARY MAIL. We often receive bids many weeks after the sale when they are sent sea mail from Europe. Seamail takes a minimum of 3 weeks! AIRMAIL from Europe averages 4 days; from California 3 days. Bids can be telephoned during the Sale and a TELEX or CABLE from overseas is guaranteed to arrive immediately on our machine if the circuits are not busy.

MAILBIDDERS

Send bids early. It takes several days for mail to reach us even from close distances. Use telephone, telegraph, telex if it is close to the sale date. During the sale you can bid by telephone and you can use the special bid number (212) 541–7377.

BID GENEROUSLY

If you are a bidder for the first time and you are not familiar with our special way of representing you, please read this carefully. We buy for you at the LOWEST POSSIBLE PRICE. For example if you bid a \$1,000 on a \$100 lot because you want to be sure to obtain it and the firm has only a mailbid of \$50, we will start bidding for you at \$55 (just 10% over the highest bid received) and if there are no roombidders competing against you, you will obtain the lot for \$55.

Schulman Coin & Mint Inc. has run coin auctions in New York since 1940 and has a very large mailbid following based on the above mentioned system. Join the many satisfied bidders and bid generously.
